

Gathering

The 3rd Friday of each month, 6:30 - 9:00

As the name indicates, this is our chance to gather. Talk. Play games. Play music. Watch movies. Do homework. Be together. Come prepared to do whatever it is you like to do when hanging out with friends (within reason, of course). Forget all you have to DO. Just spend some time being YOU.

The last Sunday of each month, 6:00 - 8:00

X is the quieter, flip side of Gathering. This is an opportunity to gather together in a quieter, more intimate setting so that we may join as one with God. Snacks, conversation, a devotional, and personal and corporate praise & worship. One with Christ. One with each other.

The 3rd Friday of each month, 6:30 - 9:00

(replaces Gathering once per quarter)

Parents of from Venus and teens are from, well...from a galaxy far, far away. Communication breaks down, feelings are hurt, a door or two slammed. And this is what happens when both sides are trying to say the same thing. 4X3 is our effort to reestablish those lines of communications. A topic for each 4X3 is selected (parental rules, dating, etc.). During the first round, groups of four (teens and adults are separated) discuss the issue or talk over prepared discussion questions. In the second round, teens and adults are mixed (not with family members) and the discussion continues. In the third round, the discussion ends in family groups. There may not be many answers, are those there are might not be heartily embraced, but there will be communication.
